

## Urgent Care & Walk-In Clinics in Whatcom County

If you have a Primary Care Provider, you may be able to schedule a same-day appointment for an urgent need.  
Call ahead and ask.

If you have an urgent need or an after-hours need:

1. **Call your doctor's office** (listed below) and ask them what to do. Many have after hours or same day appointments.
2. **call the 24-hour nurse line** that is free with your insurance. This number will be on your insurance card.

**Community Health Plan of Washington**
