The district continues to follow the precautions recommended by health officials as it pertains to the COVID-19 pandemic. Children ages five to eleven were recently approved to receive the Pfizer COVID-19 vaccine, and as vaccination rates increase there will likely be updated guidance from health officials. Executive Director of Operations Jessica Sankey shared that the district has partnered with the [Learn to Return](#) program, which gives the district access to COVID-19 rapid tests for staff who may have symptoms and would like verification that they do not have COVID-19. Dr. Baker, Ms. Sankey and Ms. Meaker responded to questions from board members. The [Facilities Planning Task Force](#), which has been meeting this fall, held its fourth meeting last week

Highlights of comments:

Ms. Diaz Hackler congratulated Ms. Mason and Mr. Benjamin on their re-elections. She enjoyed board visit to Fairhaven Middle School and noted that it was interesting to see the outside eating areas.

part about being back in school is access to the school library. She was impressed by the students who spoke with the board.

Mr. Benjamin shared that the re-elections of he and Ms. Mason are an indicator that the community is pleased with how our schools are doing. That confidence is due to the competent work of the superintendent and his team. Today Mr. Benjamin emailed a document to the board regarding WSSDA board standards. He also recently attended the WSSDA Area 1 meeting and forwarded his meeting notes to board members. The term of the Area 1 representative is coming to an end, and he encouraged the board members to consider applying for this position. The visit to Fairhaven Middle School went very well, and he found the students to be very articulate. He believes that board members to hear from the students. He also respects how the school has taken a closer look at its heritage.

Ms. Bashaw attended the virtual WSSDA Legislative Conference last weekend. It was her first time attending the conference, so she did not know what to expect.

When she receives information about the outcome of the conference, she will share it with the other board members. She found the introduction outlining the history of Fairhaven Middle School given by Principal Steve Ruthford to be very interesting.

She also thought it was impressive that the middle school students, who do not begin school until 9:15 a.m.,

6.2 Dr. Baker shared that, after nine years with the Bellingham Public Schools, Assistant Superintendent of Human Resources Bob Kuehl announced his retirement this week. Board members congratulated Mr. Kuehl, and he noted that it has been his pleasure to serve the board and Dr. Baker.
